## Home Club Meet April 6

We are in the process now of preparing for our first ever club home meet and we will need volunteers to help make the event possible! On **March 10 at 6:30pm** we will have a meeting to organize volunteers and give out more information about what to expect for our first meet. The meeting will be during the last half hour of the Sunday practice. Please try to come even if you don't practice on Sunday. We will keep the meeting brief!

## Meet Coach Emily

We are very excited to introduce the newest member of our coaching staff Emily Nord. Emily is no stranger to the diving world. She was a classmate and fellow diver with Coach Phil at U-High. From there Emily dove at the Division I level first at ISU and Kentucky then finishing up at the University of Michigan. Emily lives in Normal now with her husband Mike and their three kids Axel, Rae, and Edna.

With Emily on staff we will be adding a second day to our learn-to-dive lessons programs. She brings a lot of passion to our coaching staff and is especially excited about helping us build a strong foundation with our youngest divers. We are very excited, and so is Coach Emily, to have her reunited with her love for the sport of diving!
